

We The People Maine

Letter-writing campaign information - March 2015

Please consider writing about how corporate power has had an adverse effect on your community. If it doesn't make your letter too long, you can end with a note that the move for a Constitutional amendment to overturn Citizens United is gaining momentum and that there will be a public hearing later this spring in Augusta. Send us your letters, too! We would love to read them and post them on our website with your permission.
